§

CH

in a matter within the jurisdiction of the United State Department of Justice, Federal Bureau of Investigation, a part of the Executive Branch of the Government, did knowingly and willfully make a materially false, fictitious and fraudulent statement and representation in that Defendant falsely stated to Special Agents with the Federal Bureau of Investigation that he had not created a fake text message that was under investigation and that another individual was responsible for the fake message when in truth and in fact, Defendant knew that he had created the fake text message, in violation of Title 18, United States Code, Section 1001(a)(2).

Respectfully submitted,

GREGG N. SOFER  
UNITED STATES ATTORNEY
